Post-Its

Magazines

& Catalogs

Envelopes
Windows and labels are OK.

Phone Books

Paperback Books

Newspaper
Including ads and other paper inserts.

Junk Mail & Scrap Paper

Construction Paper

Paper Cartons
Paper egg cartons and berry boxes.

Paper Bags

Shredded Paper
Place shredded paper inside a paper bag and staple shut.

Office Items
Copier and printer paper, fax paper, stationery, file folders, note paper, computer paper, brochures, and coupons.

Corrugated Cardboard
Has a wavy layer between two flat layers. Flatten and cut cardboard boxes to fit inside your cart.

Grey Board
Cereal, cracker, cookie, and shoe boxes.

Paper Labels
Removed from cans.

Steel & Aluminum Cans

Aseptics
Milk cartons, juice, soup, and drink boxes, etc.

Paper Cores
Paper towel and tissue cores.

Empty Aerosol Cans
Remove the cap, but not the nozzle. Please do not puncture or flatten can. Pressurized cans should be brought to a household hazardous waste event for proper handling.

Tin Cans & Small Metal Items
We suggest that bottle caps, nails, and other metal items 2 inches or less in length be placed in a metal can crimped shut.

Large Metal
Maximum size of 30 inches and weighing no more than 30 pounds.

Other Metal
Metal or mostly metal.

YES!
All these items can go in your recycling cart!

Wrapping Paper & Cards
No foil, glitter, plastic coating, ribbon, or tape.

Aluminium
Clean foil and trays.

Planting & Nursery Pots
Larger than four inches in diameter and made of rigid plastic.

Plastic Bottles, Jars & Jugs
Any container with a screw-on lid or a neck narrower than the base. Milk jugs, peanut butter jars, shampoo bottles, laundry soap jugs, etc. Rinse chemicals.

Plastic Buckets
Clean five gallons or smaller.

Plastic Tubs
Six ounces or larger. Usually round with a wider rim than base and contain products such as salsa, margarine, yogurt, etc.
